LP Aero Plastics - Acrylic Polish and Sealant

Not just any polish is good enough to carry our name! A superior no-wax, non-yellowing formula containing polyethylene polymers. This superior product not only gives a super slick surface to your windshield and windows, but can also be used on your entire aircraft, including all the painted gloss surfaces, aluminum and fiberglass. Ease of application and removal is unmatched. Sold in 16 oz. single bottles and in cases of 12.

DuPont Sontara® Window Wipes

New Sontara® window wipes are made of a proprietary blend of fibers that are softer than most conventional wipes. Since many scratches are caused by grit and dirt already on the surface of the window, this product features apertures that help pick up and remove dirt effectively. Using LP Aero Plastics Acrylic Polish and Sealant to "float up" the dirt before wiping is the best way to minimize the risk of scratching.
